* For new customers, the applicable rate will be the highest rate offered from when you submit your application to the time we receive of your funds. For example: if you applied for a 60-month Fixed Term Deposit on the 12th August 2018 (when the rate being offered was 2.67%) and funded your account on the 25th August 2018 (when the rate being offered was 2.26%), we would offer you the highest rate available between the 12th and 25th August 2018 (i.e. 2.69%). 2.69% represents the highest rate during the period from when you submitted your application to the time we receive of your funds.

Please note that, on a day we make a rate change, the applicable rate on your account would be determined by the time at which you submit your application/we receive your funds.

**For reinvesting customers, we will offer you the highest rate within the 30 days prior to your maturity date.
