<p>* These are only examples for illustrative purposes and do not take into account your individual circumstances.</p> <p>These estimates assume that the account remains open for the duration of the stated term, deposits are made in a single payment, and interest is accrued daily and applied to the account on the maturity date of your account.</p>			
How do I open and manage my account?	<p>Our accounts are available to individuals, aged 18 or over, who are UK residents (i.e., England, Wales, Northern Ireland and Scotland). Also, you must have a personal UK bank or building society account that allows transfers to be made to and from it.</p> <p>To reinvest your savings with us, log in to online banking here or via the OakNorth mobile banking app.</p> <p>The minimum deposit required to reinvest into a new account is £1. The maximum deposit you may pay into any one account with us is £500,000. The maximum amount (excluding the interest) that you will be allowed to hold on deposit with us across multiple accounts is also £500,000. For a joint account the maximum amount allowed to be held would be £1,000,000 i.e., £500,000 per account holder.</p> <p>You can fund your account with multiple deposit payments within 14 calendar days from the day your account is reinvested. The minimum deposit is £1. Once the 14-calendar day period expires, you will not be able to make any further deposits into the account.</p> <p>Once you activate online banking, your account can be managed by logging into the OakNorth mobile banking app or through the 'My Account' section of our website. Alternatively, you can contact us by email, by phone, or by writing to us. Please refer to our website for our contact details.</p>		
Can I withdraw money?	<p>No, our Fixed Term Deposit Accounts do not allow for funds to be withdrawn during the term of the deposit. We may at our discretion allow it in cases of hardship at our sole discretion, which would require suitable documentary evidence. Interest will be calculated on the total amount until, but not including the day of the withdrawal</p>

	<p>We will write to you at least 14 calendar days before your maturity date to explain your options. We may also send you additional reminders during this time to inform you of the options available as follows:</p> <ul style="list-style-type: none"> • transfer your entire account balance (principal and interest) to your nominated bank account; • reinvest the principal in another available deposit product with us, and transfer the interest you earned to your nominated bank account; • reinvest your account balance (principal and interest) in another available deposit product with us (provided this wouldn't put you above the maximum balance limits); or • reinvest a portion of the principal in another available deposit product with us and have the remainder of the principal and interest paid to your nominated bank account. <p>If we do not receive your instructions before the account maturity date, the total amount including interest will be automatically transferred to a variable rate Easy Access Deposit account with us. See our Easy Access Deposit account page on our website for the current interest rate.</p>
Additional information	<p>Interest will be paid gross.</p> <p>We do not deduct tax from the interest we pay to you. This information is based on our understanding of current taxation which may change in the future.</p> <p>The AER (Annual Equivalent Rate) illustrates what the interest rate would be if interest was paid and compounded once a year.</p> <p>Please note: The information provided in the Summary Box is a summary of the key features of our Fixed Term Deposit accounts. It should not be used as a substitute for our Terms and Conditions which can be found on our website.</p>
