What is the interest rate?	The interest rate tracks the Bank of England (BoE) Base Rate (To view the latest rate visit here) plus a spread* as mentioned below:			
	Product	Spread* vs Base Rate %	Gross Rate %	AER %
	95 Days Notice Base Rate Tracker Deposit account	-0.25	4.41	4.50
	<p>Your savings account will start generating interest no later than one business day from when we receive and apply your first deposit to your savings account. Interest is calculated on the end of day balance and applied to the account on the first day of every subsequent month.</p> <p>If a withdrawal request has been made, interest will be calculated on the total amount until, but not including the day of the withdrawal.</p> <p>* spread in this document refers to the rate that is added or subtracted to the Bank of England Base Rate</p>			
Can OakNorth Bank change the interest rate?	<p>Yes. Interest rates are variable and can be increased or decreased dependent on the Bank of England base rate.</p> <p>OakNorth may also adjust the spread at any time at our sole discretion as outlined in the Interest Section of our Specific Terms and Conditions- Flexible Business Notice Base rate Tracker Account</p> <p>If we change the spread applicable to your interest rate, which results in your interest rate increasing, we will notify you within 30 calendar days of the increase. The change will take effect on the 1st day of the next calendar month (in certain cases, with immediate effect). If we change the spread applicable to your interest rate, which results in your interest rate decreasing, we will notify you at least 14 calendar days in addition to the notice period as per the type of account opened, prior to the decrease.</p>
