The Financial Conduct Authority is a financial services regulator. It requires OakNorth to give you this important information to help you decide whether our Notice accounts are right for you. You should read this document carefully, together with the General Terms & Conditions and Product Terms & Conditions for Notice accounts, so you understand what you are buying, and then keep it safe for future reference.

<p>Your account will start accruing interest once we've received and processed your first deposit. This usually happens the same business day, but no later than the next.</p> <p>Interest is calculated on the minimum daily balance and applied monthly.</p> <p>If you withdraw funds, interest will be calculated on your total balance up to – but not including – the withdrawal date.</p> <p>You can find the interest rates for all issues of our accounts on our website.</p>													
Can OakNorth change the interest rate?	<p>Yes. Interest rates are variable and can be increased or decreased at any time at our discretion, as outlined in the Terms and Conditions.</p> <p>If we increase the interest rate on your savings account, we'll email you as soon as we can and in any event within 30 calendar days of the change taking effect. If we decrease it, we'll notify you at least 14 days plus your notice period in advance.</p>

<p>How do I open and manage my account?</p>	<p>You must be a UK resident aged 18+ with a personal UK bank or building society account. Apply via our website or app (joint accounts can be opened via the website only, with a maximum of two account holders).</p> <p>Once approved, you'll have 14 calendar days to make your first deposit. The minimum deposit required to open your account is £1. After the 14-day window, your account will be automatically closed if no funds have been added.</p> <p>You can deposit up to £500,000 into a single account (£1 million for joint accounts), and make multiple deposits at any time – up to the maximum balance allowed. However, the total amount you can hold with us across all your OakNorth accounts (excluding interest) is capped at £500,000 per person.</p> <p>If the product is withdrawn, existing accounts will remain open, but no new applications will be accepted.</p> <p>To manage your account, log in via the OakNorth web platform or app. Alternatively, you can contact us by email or phone.</p>
<p>Can I withdraw money?</p>	<p>Yes, but you must provide the required notice. Withdrawals can be requested via our web platform, app, email or phone.</p> <p>There is no limit on the number of withdrawals. After requesting withdrawal, once the notice period has passed, funds will be credited to your linked account on that business day.</p> <p>We may, at our discretion, allow access to funds without serving notice in cases of hardship, which would require suitable documentary evidence.</p> <p>If your balance remains at £0 for six months, we may close your account. You'll be notified at least six weeks in advance.</p>
<p>Additional information</p>	<p>Interest will be paid gross, with no tax deduction. This is based on current tax laws, which may change. The Annual Equivalent Rate (AER) shows the interest rate if paid and compounded annually.</p> <p>This Summary Box highlights key product features. It's not a substitute for our full Terms and Conditions.</p>
